reolink

Product introduction

Person/Pet Detection

Distinguishes people and pets from unimportant objects and triggers alarms more accurately.

Easy to set up

Plug it in. Connect to 2.4 GHz WiFi. Up and running in minutes.

3MP Super HD

Sharper images and videos in true 3MP Super HD

355° Pan & 50° Tilt

Help you focus on several sections of your home.

WiFi Connection

2.4 GHz WiFi for simple and flexible wireless installation.

Two-Way Audio

Communicate with families directly through the camera.

Pan & Tilt - Broaden Your View

Losing sight is bothering. E Series E320 solves it, with the ability to rotate 355° horizontally and 50° vertically. Capture kids toddling around and naughty pets running through the house, or scan the lobby, living room and dining room with only one E Series E320.

Updated Smart Detection Technology

The latest update to people and pet detection!By combining this feature with the motion zone, you receive instant alerts and can quickly react when your children, the elderly and pets approach dangerous areas or someone breaks in.

See Your Home in Details Day and Night

E Series E320 smart home security camera captures Super HD videos in the resolution of 2304x1296 (3 megapixels), and with 8 infrared LEDs, it can see up to 40ft in the dark. Stay connected with what you care anytime with all-day home camera.

Easy to Install

Robust wireless connection and pan & tilt feature provide E Series E320 with maximal flexibility in placement. Power it, connect to 2.4 GHz WiFi, and you can scan your whole room. It's that simple.

Mount it to the ceiling

Attach E1 to the ceiling with the removable mounting plate

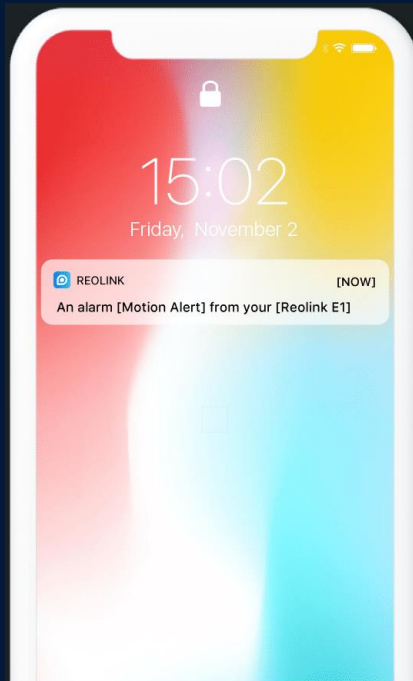

Put it on the table

Set E1 down on anything flat, like a table or shelf

Convenient Remote Access, Anytime & Anywhere

With only a few taps or clicks on Reolink App or Client, you can access your camera and check your property anytime, anywhere.
