(D)

Mäßiges Anziehen von Hand genügt, keine Gewalt anwenden!
Nicht mit scheuernden Mitteln reinigen!
Wir übernehmen keine Gewähr/Haftung für den Aufbau bzw. die Montage.
Konstruktionsänderungen vorbehalten.

(F)

Vissage uniquement manuel. Un serrage excessif peut endommager la surface et les éléments.
Ne pas utiliser de matière abrasive ou chimique qui pourrait détériorer la surface.
Nous ne pouvons être tenu responsable pour des défauts ou des dégâts causés par un assemblage ou un montage non conforme.
Nous nous réservons le droit d'apporter des modifications techniques.

(GB)

Tighten only by hand. Over tightening may cause damage to both glass and fittings.
Please do not use abrasive materials or chemicals, which may cause damage to the surface.
Please note that we cannot accept responsibility for faults or damage caused by wrong assembly and/or mounting.
Subject to design change.

(NL)

Alleen handmatig strak aandraaien. Te strak aandraaien kan schade aanbrengen aan zowel het glas als de hechtingsplaats.
Gebruik s.v.p. geen materiaal dat kan schuren of chemische producten aangezien dit schade kan aanbrengen.
De fabrikant kan geen verantwoordelijkheid nemen voor schade ontstaan door verkeerde montage of ophanging.
Onderhevig aan verandering.

(E)

Ajustar solo con las manos. Un ajuste excesivo puede causar daños tanto al cristal como a las fijaciones.
Por favor no usar materiales abrasivos químicos, que puedan causar daños a la superficie.
Por favor, se consciente que nosotros no podemos aceptar responsabilidad por faltas causadas por un mal montaje o ensamblado.
Salvo modificación.

(I)

Serrare solo a mano. Un serraggio eccessivo può causare rottura dei cristalli e di altre componenti.
Attenzione non usare materiali abrasivi o chimici poiché potrebbero danneggiare la superficie.
Attenzione! Nessuna responsabilità potrà esserci attribuita per problemi causati da una scorretta installazione o assemblaggio.
Con riserva di modifiche.

(RUS)

Затягивайте вручную. Излишние усилия при затяжке могут привести к повреждению стекла и фурнитуры.
Не используйте абразивные материалы или химикаты, это может привести к повреждению поверхности.
Обращаем Ваше внимание что мы не несем ответственности за разрушения и повреждения, вызванные неправильной сборкой и монтажом.
Возможны изменения.

(P)

Aperte manualmente os parafusos. Um aperto excessivo poderá danificar tanto o vidro como as junções.
Não utilizar produtos abrasivos ou químicos, pois estes poderão danificar as superfícies.
Não poderemos aceitar quaisquer responsabilidades de acidentes inerentes a erros de montagem ou instalação deficiente.
Sujeito a alterações.
