ACHTUNG!

BITTE LESEN SIE DIESE ANWEISUNGEN SORGFÄLTIG DURCH, BEVOR SIE DIESES REISEBETT IN VERWENDUNG NEHMEN. BEHALTEN SIE DAS HANDBUCH FÜR SPÄTERE REFERENZEN AUF. LESEN SIE DIE BEDIENUNGSANLEITUNG SORGFÄLTIG DURCH, UM VERLETZUNGEN ZU VERMEIDEN.

- 1) Lassen Sie Ihr Kind nie unbeaufsichtigt.
- 2) Stellen Sie nach dem Entfalten fest, dass das Reisebett sicher ist und dass alle Seiten hörbar eingerastet und verriegelt sind.
- 3) Vergewissern Sie sich, dass die Gelenke des Reisebettes immer richtig eingerastet sind und überprüfen Sie dies regelmäßig.
- 4) Demontieren Sie das Reisebett nicht, wenn sich das Baby darin befindet.
- 5) Lassen Sie Ihr Baby nicht aus dem Reisebett steigen.
- 6) Verwenden Sie das Reisebett nicht ohne die mitgelieferte Matratze.
- 7) Lassen Sie nichts im Reisebett, das Erstickten oder Strangulieren verursachen könnte.
- 8) Lassen Sie nichts im Kinderbett liegen oder stellen Sie das Kinderbett nicht in der Nähe eines anderen Produkts auf, welches Ihrem Baby zum Heraussteigen helfen könnte.
- 9) Verwenden Sie das Kinderbett nicht, wenn ein Teil gebrochen, zerrissen oder fehlend ist und verwenden Sie nur vom Hersteller genehmigte Ersatzteile.
- 10) Das Reisebett, einschließlich der Seitengitter und der Unterlage, sollte vor Gebrauch vollständig aufgerichtet werden. Die Oberen Schienen müssen vollständig eingerastet sein.
- 11) Bitte beachten Sie die Gefahr von offenem Feuer und anderen starken Wärmequellen - wie Elektroherde, Gasöfen usw. in der Nähe des Reisebetts.
- 12) Vermeiden Sie eine Überlastung des Reisebetts.
- 13) Das Reisebett ist nur für ein Kind bestimmt und welches ein Gewicht von weniger als 13 kg hat.
- 14) Wenn das Öffnen oder Schließen nicht korrekt funktioniert, überprüfen Sie das Reisebett sorgfältig und befolgen Sie die Anweisungen, um Schäden zu vermeiden.

REINIGUNG & WARTUNG:

- 1) Verwenden Sie nur Haushaltsseife oder Reinigungsmittel mit warmem Wasser.
- 2) Verwenden Sie lauwarmes Wasser zum Waschen und lassen Sie es gut abtropfen und trocknen. NICHT BLEICHEN.
- 3) Lagern oder benutzen Sie das Reisebett nicht an Orten mit hoher oder niedriger Temperatur oder Luftfeuchtigkeit und sorgen Sie immer für ausreichende Belüftung.

AUFBAU:

1) Nehmen Sie das Reisebett aus der Tragetasche.

2) Öffnen Sie die Matratze und legen Sie diese zur Seite.

3) Klappen Sie die beiden, gegenüberliegende Seiten nach oben, bis diese eingerastet sind.

4) Drücken Sie die Bodenmitte nach unten, bis der Boden vollkommen flach und stabil ist. Legen Sie die Matratze in das Reisebett.

ABBAU:

1) Entfernen Sie die Matratze und ziehen Sie das Band in der Mitte ganz nach oben bis es über dem Rahmen ist.

2) Lösen Sie die Fixierungen der Seiten, indem Sie jeweils den Knopf in der Mitte drücken und lassen Sie die Seite fallen, sodass ein „V“ entsteht. Falls eine Seite nicht vollständig einknickt, ziehen Sie die Bodenmitte mithilfe des Bandes nach ganz oben und entsichern Sie wieder die mittleren Knöpfe. Schieben Sie alle 4 Ecken und Füße zu einem kleinen Quadrat aneinander.

3) Wickeln Sie das Reisebett in die Matratze und befestigen Sie diese mithilfe der Klettverschlüsse.

4) Stecken Sie das gesamte Paket wieder zurück in die Tragetasche.

AUFBAU:

1. Setzen Sie den Beistellbett-Reißverschluss gut um das Laufgitter herum zusammen.
2. Schieben Sie die Enden der Stahlstangen in den Textiltunnel und verriegeln Sie sie dann miteinander. Legen Sie die Matratze in das Beistellbett.
3. Zum Entfernen nehmen Sie einfach den Reißverschluss ab und ziehen das Beistellbett heraus.

Drücke beide Teile nach innen und schiebe sie nach unten, um in ein Beistellbett umzuwandeln.

Anleitung für das Beistellbett:

A. Herunterklappen und verwenden:

Öffnen Sie die beiden vertikalen Reißverschlüsse nach unten. Siehe Bild 1. Schieben Sie beide Teile nach innen und lassen Sie sie nach unten gleiten, um das Bett in eine Baby-Seitenwiege zu verwandeln. Siehe Bild 2.

B. Hochklappen und verwenden:

Ziehen Sie zuerst das eine Kunststoffteil nach innen, um es hochzuklappen, und dann das andere. Wiederholen Sie diesen Vorgang, bis das Handgitter in seine ursprüngliche Position zurückkehrt. Siehe Bild 3, 4.

Achten Sie darauf, dass die beiden vertikalen Reißverschlüsse in der richtigen Position nach oben geschlossen sind.

Das Anbringen des Beistellbetts am Bett: Befestigen Sie die Klammer am Riemen an den Seiten des Elternbetts. Verlängern Sie den Riemen und platzieren Sie ihn zwischen der Matratze und der Basis des Beistellbetts.

ATTENTION!

PLEASE READ THESE INSTRUCTIONS CAREFULLY BEFORE SETTING UP OR USING THE TRAVEL COT.

- 2) Use lukewarm water for washing and let it drain and dry thoroughly. **DO NOT BLEACH.**
- 3) Do not store or use the travel cot in places subject to high or low temperature or humidity, and always ensure adequate ventilation.

ASSEMBLY:

1) Take the travel cot out of the transport bag.

2) Open the mattress and lay it to the side.

3) Unfold both opposite sides, by pulling them up until you can hear them click into position.

4) Press the floor down, until it's completely flat and stable. Place the mattress in the playpen.

STOWING AWAY:

1) Take out the mattress and pull the strap in the middle all the way up, until it is above the frame.

2) Loosen the fixations of the sides by pressing the button in the middle and drop the sides down to create a "V". If one side does not collapse completely, use the strap to pull the center of the floor up to the top further and release the middle buttons again. Slide all 4 corners and feet together to form a small square.

3) Wrap the playpen in the mattress and close the velcro clasps.

4) Place the travel cot in the transport bag.

AUFBAU:

1. Attach the co-sleeper securely to the crib by connecting the zipper all around the playpen.
2. Insert the ends of the steel rods into the fabric tunnel and then lock them together. Place the mattress inside the co-sleeper.
3. For removal, simply detach the zipper and pull out the co-sleeper..

**Instructions for the co-sleeper:****A. Folding down and using:**

Open the two vertical zippers downward. Refer to Image 1.
Slide both parts inward and let them glide downward to transform the bed into a baby side crib. Refer to Image 2.

B. Folding up and using:

First, pull one plastic part inward to fold it up, and then the other one. Repeat this process until the handrail returns to its original position. Refer to Image 3, 4.
Ensure that the two vertical zippers are properly closed in the upward position.

Attaching the co-sleeper to the bed: Attach the clamp to the strap on the sides of the parent's bed. Extend the strap and place it between the mattress and the base of the co-sleeper.

POZOR!
 PROSIMO, PRED UPORABO IN UPORABO POTOVALNIH POTI PREPREČITE TE NAVODILA.

2. Helyezze be az acélrudak végét a textilest alagútba, majd zárja össze őket. Helyezze be a matracot a babaágyba.
3. Az eltávolításhoz egyszerűen válassza le a cipzárát és húzza ki a babaágyat.

Mindkét részt tolja befelé és csúsztassa lefelé a baba oldali ágy átalakításához.

Utasítások a babaágyhoz:

A. Lefelé hajtás és használat:

Nyissa meg a két függőleges cipzárát lefelé. Lásd a képet 1.
Tolja mindkét részt befelé és engedje lefelé csúszni, hogy a kiságyat baba oldalágyá alakítsa át. Lásd a képet 2.

B. Felfelé hajtás és használat:

Először húzza be az egyik műanyag részt befelé, hogy felhajtsa azt, majd a másikat. Ismételje meg ezt a folyamatot, amíg a korlát vissza nem tér eredeti helyzetébe. Lásd a képet 3, 4.
Győződjön meg arról, hogy a két függőleges cipzár helyesen zárva van felfelé.

A babaágy rögzítése az ágyhoz: Rögzítse a fogót az anyaágy oldalán lévő pántba. Hosszabbítsa meg a pántot, és helyezze el a matrac és a babaágy alapja között.

ATTENZIONE!

LEGGERE ATTENTAMENTE QUESTE ISTRUZIONI PRIMA DI IMPOSTARE O UTILIZZARE IL CAVO DA VIAGGIO.

CONSERVARE IL MANUALE PER RIFERIMENTI FUTURI. LEGGERE ATTENTAMENTE IL MANUALE PER EVITARE LESIONI.

- 1) Tutti i raccordi di montaggio devono essere sempre serrati correttamente e i raccordi devono essere controllati regolarmente e riserrati, se necessario.
- 2) Non lasciare mai il bambino incustodito, tenere sempre d'occhio il bambino.
- 3) Dopo lo spiegamento, assicurarsi che il lettino da viaggio sia sicuro e che tutti i lati siano acusticamente inseriti o bloccati.
- 4) Non smontare il box quando il bambino è nel box.
- 5) Non consentire al bambino di uscire dal lettino da viaggio.
- 6) Non utilizzare il lettino da viaggio senza il materasso in dotazione.
- 7) Non lasciare nulla nel lettino da viaggio, che potrebbe causare soffocamento o strangolamento.
- 8) Non lasciare nulla nella culla o posizionare la barella vicino ad un altro prodotto, che potrebbe fornire un punto d'appoggio.
- 9) Non utilizzare il lettino se qualsiasi parte è rotta, strappata o mancante e utilizzare solo parti di ricambio approvate dal produttore.
- 10) Il lettino da viaggio, comprese le sponde laterali e il sottopiede, deve essere completamente montato prima dell'uso. Le guide superiori devono essere completamente bloccate.
- 11) Si prega di essere consapevoli del pericolo di fuoco aperto e altre fonti di calore forti - come stufe elettriche, stufe a gas, ecc. Vicino al box.
- 12) Evitare di sovraccaricare il lettino da viaggio - capacità di carico fino a 18 kg.
- 13) Il lettino da viaggio è destinato all'uso da parte di un solo bambino e con un peso inferiore a 13 kg.
- 14) Se l'apertura o la chiusura non sono facili, controllare attentamente il lettino da viaggio e seguire le istruzioni per evitare danni.

PULIZIA E MANUTENZIONE:

- 1) Usare solo sapone domestico o detergente con acqua calda.
- 2) Utilizzare acqua tiepida per il lavaggio e lasciarlo scolare e asciugare accuratamente. **NON USARE LA CANDEGGINA.**

Montaggio

1) Estrarre il lettino dalla borsa di trasporto.

2) Aprire il materasso e appoggiarlo di lato.

3) Aprire entrambi i lati opposti, tirandoli verso l'alto finché non li senti scattare in posizione.

4) Premere il pavimento verso il basso, finché non è completamente piatto e stabile. Metti il materasso nel box.

De montaggio

1) Estrarre il materasso e tirare la cinghia al centro verso l'alto, fino a quando non si trova sopra il telaio.

2) Allentare le fissazioni dei lati premendo il pulsante al centro e rilasciare i lati verso il basso per creare una "V". Se un lato non crolla completamente, utilizzare la cinghia per tirare il centro del pavimento verso l'alto e rilasciare nuovamente i pulsanti centrali. Far scorrere tutti e 4 gli angoli e i piedi insieme per formare un piccolo quadrato.

3) Avvolgere il box nel materasso e chiudere i fermagli in velcro.

4) Posizionare il lettino da viaggio nella borsa di trasporto.

AUFBAU:

1. Posizionare la cerniera del lettino attaccato intorno al recinto per giocare.
2. Inserire le estremità delle stanghe in acciaio nel tunnel di tessuto e poi bloccarle insieme. Posizionare il materasso dentro il lettino.
3. Per rimuovere, semplicemente staccare la cerniera e tirare fuori il lettino..

Spingi entrambe le parti verso l'interno e falle scivolare verso il basso per convertire in un letto laterale per il bambino.

Istruzioni per il lettino:

A. Abbassamento e utilizzo:

Aprire le due cerniere verticali verso il basso. Vedi Immagine 1.
Far scorrere entrambe le parti verso l'interno e lasciarle scivolare verso il basso per trasformare il letto in una culla laterale per bambini. Vedi Immagine 2.

B. Sollevamento e utilizzo:

Prima, tirare una parte di plastica verso l'interno per piegarla su, poi l'altra. Ripetere questo processo finché la ringhiera ritorna nella sua posizione originale. Vedi Immagine 3, 4.
Assicurarsi che le due cerniere verticali siano correttamente chiuse nella posizione superiore.

Fissaggio del lettino al letto: Fissare il morsetto alla cinghia sui lati del letto dei genitori.
Allungare la cinghia e posizionarla tra il materasso e la base del lettino.

- 5) Do not allow your baby to climb out of the travel cot.
- 6) Do not use the travel cot without the supplied mattress.
- 7) Do not leave anything in the travel cot, which could cause suffocation or strangulation.
- 8) Do not leave anything in the cot or place the cot close to another product, which could provide a foothold.
- 9) Do not use the cot if any part is broken, torn or missing and use only spare parts approved by the manufacturer.
- 10) The travel cot, including side rails and bottom pad, should be fully erected before use. Top rails must be completely locked.
- 11) Please be aware of the danger of open fire and other strong heat sources - such as electric stoves, gas stoves, etc. near the playpen.
- 12) Avoid overloading the travel cot
- 13) The travel cot is intended for use by only one child and with a weighs less than 13 kg.
- 14) If opening or closing is not easy, check the travel cot carefully and follow the instructions to avoid damage.

CLEANING & MAINTENANCE:

- 1) Use only household soap or detergent with warm water.
- 2) Use lukewarm water for washing and let it drain and dry thoroughly. **DO NOT BLEACH.**
- 3) Do not store or use the travel cot in places subject to high or low temperature or humidity, and always ensure adequate ventilation.

ASSEMBLY:

1) Take the travel cot out of the transport bag.

2) Open the mattress and lay it to the side.

3) Unfold both opposite sides, by pulling them up until you can hear them click into position.

4) Press the floor down, until it's completely flat and stable. Place the mattress in the playpen.

STOWING AWAY:

1) Take out the mattress and pull the strap in the middle all the way up, until it is above the frame.

2) Loosen the fixations of the sides by pressing the button in the middle and drop the sides down to create a "V". If one side does not collapse completely, use the strap to pull the center of the floor up to the top further and release the middle buttons again. Slide all 4 corners and feet together to form a small square.

3) Wrap the playpen in the mattress and close the velcro clasps.

4) Place the travel cot in the transport bag.

AUFBAU:

1. Fixez la fermeture éclair du lit d'appoint tout autour de la barrière de jeu.
2. Insérez les extrémités des barres en acier dans le tunnel en tissu, puis verrouillez-les ensemble. Placez le matelas à l'intérieur du lit d'appoint.
3. Pour le retirer, détachez simplement la fermeture éclair et tirez le lit d'appoint.

Poussez les deux parties vers l'intérieur et faites-les glisser vers le bas pour convertir en lit latéral pour bébé.

Instructions pour le lit d'appoint :**A. Pliage vers le bas et utilisation :**

Ouvrez les deux fermetures éclair verticales vers le bas. Voir Image 1.
Faites glisser les deux parties vers l'intérieur et laissez-les glisser vers le bas pour transformer le lit en un berceau latéral pour bébé. Voir Image 2.

B. Repliage vers le haut et utilisation :

Tirez d'abord une partie en plastique vers l'intérieur pour la replier, puis l'autre. Répétez ce processus jusqu'à ce que la barrière revienne à sa position initiale. Voir Image 3, 4.
Assurez-vous que les deux fermetures éclair verticales sont correctement fermées en position supérieure.

Fixation du lit d'appoint au lit : Fixez la pince à la sangle sur les côtés du lit des parents. Étirez la sangle et placez-la entre le matelas et la base du lit d'appoint.

AUFBAU:

1. Fäst blixtläset för spjålsängen runt lekpennan ordentligt.
2. Sätt in ändarna av stålstångerna i tygkanalen och lås dem sedan samman. Placera madrassen inne i spjålsängen.
3. För att ta bort, koppla bara loss blixtläset och dra ut spjålsängen..

Lorem ipsum

Instruktioner för spjålsängen:

A. Fäll ner och användning:

Öppna de två vertikala blixtläsen nedåt. Se Bild 1.
Skjut båda delarna inåt och låt dem glida nedåt för att omvandla sängen till en babysidosäng.
Se Bild 2.

B. Fäll upp och användning:

Drag först en plastdel inåt för att fälla upp den, och sedan den andra. Upprepa denna process tills handräcket återgår till sin ursprungliga position. Se Bild 3, 4.
Se till att de två vertikala blixtläsen är ordentligt stängda i uppfälld position.

Fästa spjålsängen vid sängen: Fäst klämman på remmen på sidorna av föräldrarnas säng.
Förläng remmen och placera den mellan madrassen och basen av spjålsängen.

AUFBAU:

1. Fest glidelåsen på babynestet rundt lekegrinden godt.
2. Skyv endene av stålstengene inn i stofftunnelen og lås dem deretter sammen. Legg madrassen inn i babynestet.
3. For å fjerne det, ta bare av glidelåsen og dra ut babynestet.

Instruksjoner for babynestet:

A. Brette ned og bruke:

Åpne de to vertikale glidelåsene nedover. Se Bilde 1.
Skyv begge delene innover og la dem gli nedover for å forvandle sengen til en baby sidevugge. Se Bilde 2.

B. Brette opp og bruke:

Trekk først den ene plastdelen innover for å brette den opp, og deretter den andre. Gjenta denne prosessen til håndrekket vender tilbake til sin opprinnelige posisjon. Se Bilde 3, 4.
Pass på at de to vertikale glidelåsene er riktig lukket i oppreist posisjon.

Feste babynestet til sengen: Fest klammen til stroppen på sidene av foreldrenes seng. Forleng stroppen og legg den mellom madrassen og basen av babynestet.

AUFBAU:

1. Správně připojte zip od dětské postýlky kolem hracího ohrádku.
2. Vložte konce ocelových tyčí do textilního tunelu a pak je spolu zajištěte. Vložte matraci do dětské postýlky.
3. Pro odstranění jednoduše oddělte zip a vytáhněte dětskou postýlku.

Návod k dětské postýlce:

A. Sklopení dolů a použití:

Otevřete oba svislé zipy dolů. Viz Obrázek 1.
Oboje zatlačte dovnitř a nechte je klouzat dolů, aby se postel změnila v dětskou boční kolébku. Viz Obrázek 2.

B. Sklopení nahoru a použití:

Nejprve vytáhněte jeden plastový díl dovnitř, abyste ho složili nahoru, a pak druhý. Tento postup opakujte, dokud se zábradlí nevrátí do své původní pozice. Viz Obrázek 3, 4.
Ujistěte se, že oba svislé zipy jsou správně uzavřeny ve vzpřímené poloze.

Připevnění dětské postýlky ke spánkové posteli: Připevněte svorku ke stuhu na bocích rodičovské postele. Roztáhněte pásek a umístěte ho mezi matrací a základem dětské postýlky.

AUFBAU:

1. Správne umiestnite zips z detského postieľky okolo hracej ohrádky.
2. Vložte končeky oceľových tyčí do textilného tunela a potom ich zabezpečte spolu. Umiestnite matrac do detskej postieľky.
3. Na odstránenie jednoducho oddelíte zips a vytiahnete detskú postieľku.

Obe časti posuňte dovnútra a nechajte ich klesnúť nadol, aby ste ich premenili na posteľ pre bábätko na boku.

Návod na detskú postieľku:**A. Sklopenie nadol a použitie:**

Otvorte obe vertikálne zipsy nadol. Pozrite sa na Obrázok 1. Obe časti posuňte dovnútra a nechajte ich klesnúť nadol, aby sa posteľ zmenila na detskú bočnú kolísku. Pozrite sa na Obrázok 2.

B. Sklopenie nahor a použitie:

Najprv vytiahnite jeden plastový diel dovnútra, aby ste ho zložili nahor, a potom druhý. Tento postup opakujte, kým sa zábradlie nevráti do svojej pôvodnej polohy. Pozrite sa na Obrázok 3, 4.

Uistite sa, že obe vertikálne zipsy sú správne zatvorené vo vzpriamenej polohe.

Pripojenie detskej postieľky k posteli: Pripojte sponu k pásku na stranách rodičovskej postele. Predĺžte pás a umiestnite ho medzi matracom a základom detskej postieľky.
