

Mi Camera 2K (Magnetic Mount)

[GL Version] ID: 34804 SKU: BHR5255GL
[TW Version] ID: 36136 SKU: BHR5498TW

Every Detail in Sharp 2K Clarity

- Zoom in on objects and capture clearer details and colors with 2304*1296 resolution.

Undisturbed Night Vision Experience

- Invisible 940nm infrared LEDs offer you enhanced night vision without making any interruption.

180° Rotating Magnetic Mount

- More options for installation, you can easily place it anywhere with the magnetic base and the adhesive sticker.
- Easy to adjust the viewing angles with the round-shaped body and the magnetic mount.

More Features to Discover*

- Picture-in-picture on mobile phone**, multiple images on a single screen, time-lapse video, and personalized sounds through Mi Home App settings.

Advanced AI Motion Detection

- With the advanced AI motion detection technology, the camera effectively reduces the false alarm caused by subtle movements, changes in light, and flying insects.

Two-Way Audio

- Two-way voice calls come through loud and clear, which lets you speak to family members as if you were standing in the room.

Free 7-Day Rolling Cloud Storage

- Freely store recorded motion-triggered video clips for one week, which helps you keep a virtual eye on your home.

Full Encryption for Privacy Protection

- Threefold encryption is used to provide full data protection for your privacy: including communication validation, data transmission and cloud services.
